Preguntas y Negativos en Past Simple A2

Domina did y didn't para hacer preguntas y oraciones negativas en pasado — y evita el error de conjugar doble.

META DE LA LECCIÓN

Usar did/didn't para hacer preguntas y negativos en past simple, sin conjugar el verbo principal.

Al terminar podrás

1. Forma preguntas con Did + sujeto + verbo base
2. Niega correctamente con didn't + verbo base
3. Evita el error "did she went" "did she go"

01 · COMPRENDER

La idea esencial

Las preguntas y negativos del past simple usan el auxiliar "did/didn't" con el verbo en su forma base (infinitivo sin to). Este es uno de los errores más comunes: muchos estudiantes siguen conjugando el verbo principal cuando ya pusieron "did". Con "did", el verbo vuelve a su forma base.

¿Por qué se usa "did" en las preguntas y negativos del past simple?

En inglés, las preguntas y negativos necesitan un auxiliar que "lleve" el tiempo verbal. En pasado, ese auxiliar es "did" (y "didn't" para negaciones). Una vez que aparece "did/didn't", el verbo principal vuelve a su forma base sin ninguna conjugación adicional.

Esto es radicalmente diferente al español, donde el verbo principal cambia: "¿Fuiste?" vs "Did you go?" En inglés, el verbo "go" no cambia — es "did" quien indica que estamos en pasado.

Estructura de preguntas con did

La estructura es: Did + sujeto + verbo en forma base + complemento? Esta estructura es igual para todos los sujetos — no importa si es I, she, they o we.

Ejemplos: Did you call me? / Did she study for the exam? / Did they enjoy the concert? / Did he go to work yesterday?

Para preguntas con palabras Wh- (what, where, when, who, why, how), el orden es: Wh- + did + sujeto + verbo base? What did you do? / Where did she go? / Why did they leave early?

Estructura de negativos con didn't

La forma negativa es: sujeto + didn't (did not) + verbo en forma base. "Didn't" es igual para todos los sujetos.

Ejemplos: I didn't go to the party. / She didn't study enough. / They didn't enjoy the film. / He didn't call me.

La forma completa "did not" se usa en contextos formales o para dar énfasis: "I did NOT say that!" En conversación normal, "didn't" es la norma.

La excepción importante: verbo "to be"

El verbo "to be" (was/were) no usa "did" para preguntas y negativos. En su lugar, invierte el auxiliar con el sujeto directamente: Was she tired? (NO: Did she be tired?) / Were they at home? (NO: Did they be at home?)

Negativo: She wasn't tired. / They weren't at home. Este es un error muy común — recuerda que "was/were" son sus propios auxiliares y no necesitan "did".

El error más común: conjugar dos veces

El error número uno en A2 es usar "did" + verbo conjugado: "Did she went?" o "He didn't went." Este error ocurre porque el estudiante ya está pensando en pasado y "congela" el verbo en su forma pasada, sin darse cuenta de que "did" ya cumplió esa función.

Manera de recordarlo: "did" es el jefe del pasado. Cuando "did" está en la oración, el verbo principal pierde su forma pasada y vuelve a ser un infinitivo simple. "Did she GO?" — "go", no "went".

¿Cómo se hacen preguntas en past simple en inglés?

Con el auxiliar "did" + sujeto + verbo en forma base: "Did you work yesterday?", "Did she call?". El verbo principal NO va en pasado en la pregunta ("Did you go?", no "did you went"), porque "did" ya marca el pasado. Con to be no se usa did ("Were you there?").

¿Por qué no se pone el verbo en pasado después de "did"?

Porque "did" ya lleva la marca de pasado. Se dice "Did he arrive?" y "He didn't arrive", con el verbo en forma base. Poner el verbo también en pasado ("did he arrived") es el error más frecuente del hispanohablante.

¿Cómo se hacen preguntas wh- en past simple?

Palabra wh- + did + sujeto + verbo base: "Where did you go?", "What did she say?", "When did they leave?". Igual que la pregunta yes/no, pero con la palabra interrogativa al principio.

La regla de una sola mirada

FÓRMULA

Did + subject + base verb? / Subject + didn't + base verb.

Decide en este orden

1. Para preguntar: Did + sujeto + verbo base (¡no -ed, no irregular!)
2. Para negar: sujeto + didn't + verbo base (¡no -ed, no irregular!)
3. Con to be: NO uses "did" — usa was/were directamente Was she late? / They weren't home.
4. Respuesta corta afirmativa: Yes, I/you/he/she/we/they did.
5. Respuesta corta negativa: No, I/you/he/she/we/they didn't.

Tipo	Estructura	Ejemplo
Pregunta	Did + sujeto + verbo base?	Did you go to the party?
Negativo	Sujeto + didn't + verbo base	I didn't go to the party.

Errores frecuentes

× "Did she went?" "Did she go?" — "did" ya marca el pasado; el verbo vuelve a base.

× "She didn't went" "She didn't go" — mismo principio con la negación.

× "Did you were there?" "Were you there?" — "to be" no usa "did".

04 · SOLUCIONES

Corrige y explica la regla

En respuestas abiertas, compara primero la estructura objetivo y después el vocabulario.

1. Did — Preguntas en past simple usan "Did" para todos los sujetos (excepto to be).
2. didn't — "Didn't" + verbo base para negar en past simple.
3. Did / go — "Did" + verbo BASE — "go", no "went". "Did" ya indica el pasado.
4. didn't — Negativo: "didn't" + verbo base "come".
5. did / do — Wh- + did + sujeto + verbo BASE: "What did they do?"
6. did — Respuesta corta afirmativa: "Yes, I did." No se repite el verbo principal.
7. Was — "To be" no usa "did" — "Was the hotel comfortable?" no "Did the hotel be comfortable?"
8. did / go — Where + did + you + go (base)? — "went" es incorrecto con did.
9. Did / didn't — Pregunta: "Did you see⋯?" — auxiliar past simple. "Didn't have time" — negativo + verbo base.
10. Did / didn't — "Did everyone attend?" — Did + sujeto + base verb. "Carlos didn't come" — didn't + verbo base.
11. did / didn't — "Where did you go?" — Wh- + did + sujeto + base. "We didn't go anywhere" — negativo + base.
12. Did / did — "Did you like⋯?" — past simple question. Respuesta corta: "Yes, I did." — no se repite "like".
13. Did / didn't / Did / didn't / did / did / wasn't — "Did you have a good weekend?" — pregunta past simple. "I didn't sleep well" — negativo + base verb. "Did you talk to them?" — otra pregunta past simple. Respuesta corta negativa: "No, I didn't." "What did you do?" — Wh-question. Hmm — o podría ser "didn't": "I did visit" (énfasis) o "I didn't visit". Elegimos "did" para la frase afirmativa en contexto. "To be" negativo: "It wasn't open" — no "It didn't open" (open aquí es adjetivo).
14. Did you go / didn't go / did you do / didn't do / Did you enjoy — Did + you + verbo base "go". Didn't + base verb: didn't go. What + did + you + do. Didn't + do (base). Did + you + enjoy (base).
15. Did you go out on Saturday? — Ejemplo: Did you go to the concert? / Did she call you? / Did they enjoy the trip?
16. I didn't finish the report I was supposed to send. — Ejemplo: I didn't exercise. / She didn't come to class. / We didn't have time.
17. What did you do after school yesterday? — Ejemplo: Where did you go? / What did she say? / Why did they leave early?
18. No, I didn't. I had too much work. — Respuesta corta: "No, I didn't." + razón. Ejemplo: No, I didn't. I was very busy.
19. Where did you go yesterday afternoon? — Ejemplo: Where did you go? / Where did you spend the afternoon?
20. Who did you meet at the restaurant? — Ejemplo: What did you do at 8pm? / Who did you call that night?
21. I didn't go near that place. I was at home all evening. — Ejemplo: I didn't see anyone. / I didn't leave the house after 6pm.
