INGLÉS · NIVEL B1 · CUADERNO IMPRIMIBLE

Third conditional en inglés B1

El third conditional mira hacia atrás: cambia una condición pasada imaginaria y calcula un resultado alternativo que ya no ocurrió.

META DE LA LECCIÓN

Imaginar cómo habría cambiado un resultado si el pasado hubiera sido diferente.

MODELO

If I had known, I would have called.

Al terminar podrás

1. Formar if + past perfect.
2. Formar would have + past participle.
3. Usar el patrón para arrepentimientos y análisis de decisiones.

CÓMO ESTUDIAR

Lee la explicación, reconstruye el mapa sin mirar, resuelve la práctica y corrige al final. Usa las tres pistas de audio de la lección web para imitar ritmo y entonación.

01 · COMPRENDER

La idea esencial

Construye third conditionals para imaginar un pasado diferente, expresar arrepentimientos y analizar consecuencias que ya no pueden cambiarse.

Qué expresa el third conditional

El third conditional imagina una condición pasada que no ocurrió y su consecuencia alternativa. If I had studied, I would have passed implica que no estudié y no aprobé.

Se usa para reflexión, arrepentimiento, crítica y análisis de decisiones.

Las dos mitades de la estructura

La condición usa past perfect: had + participio. El resultado usa would have + participio.

Las cláusulas pueden cambiar de orden sin cambiar el sentido; la coma se usa normalmente cuando la cláusula if va primero.

If primero	Resultado primero
If I had seen you, I would have stopped.	I would have stopped if I had seen you.
If they had asked, we could have helped.	We could have helped if they had asked.

Would, could y might have

Would have presenta el resultado esperado. Could have expresa capacidad u oportunidad. Might have mantiene la consecuencia como posibilidad.

Estos matices permiten evitar afirmar con demasiada seguridad un pasado hipotético.

Participios irregulares

La precisión depende de participios como gone, seen, known, taken y written. Después de had y would have nunca uses el pasado simple.

If I had went y would have saw son errores frecuentes; las formas correctas son had gone y would have seen.

02 · MAPA VISUAL

La regla de una sola mirada

FÓRMULA

If + subject + had + participle | subject + would have + participle

Decide en este orden

1. La cláusula if usa past perfect.
2. El resultado usa would have + participio.
3. La condición es irreal porque el pasado ya terminó.
4. Podrías usar could have o might have para capacidad o posibilidad.

Parte	Forma	Ejemplo
condición	if + had + participle	If we had left earlier
resultado	would have + participle	we would have arrived on time
realidad	pasado opuesto	We left late and arrived late.

Errores frecuentes

× Usar would en la cláusula if.

× Usar pasado simple en lugar de had + participio.

× Decir would have went en vez de would have gone.

02 · MAPA VISUAL

Ejemplos de referencia

Tapa la columna en español, explica el sentido y lee el ejemplo en voz alta.

We left late	realidad
If we had left early	pasado alternativo
we would have arrived	resultado imaginario

03 · PRÁCTICA

De reconocer a producir

22 ejercicios imprimibles. Trabaja sin consultar las soluciones.

Reconocimiento en contexto

1. If I ___ more, I would have passed. Opciones: had studied · studied · would study · have studied

2. We would have arrived on time if we ___ earlier. Opciones: had left · left · would leave · have left

3. If she had known, she ___ you. Opciones: would have called · would call · had called · called

4. I could have helped if you ___. Opciones: had asked · asked · would ask · have asked

5. If they had taken a taxi, they ___ the flight. Opciones: would not have missed · did not miss · would not miss · had not missed

6. We might have gone out if it ___. Opciones: had not rained · did not rain · would not rain · has not rained

7. If I ___ the address, I would have visited. Opciones: had known · knew · would know · have known

8. She would have seen the sign if she ___. Opciones: had looked · looked · would have looked · has looked

Dos decisiones conectadas

9. If we _____ earlier, we _____ a better room. Opciones: had booked · booked · would book / would have found · would find · had found

10. She _____ the meeting if she _____ the email. Opciones: would not have missed · did not miss · had not missed / had read · read · would read

11. If I _____ about the fee, I _____ more money. Opciones: had known · knew · would know / would have brought · would bring · had brought

12. They _____ the deadline if the system _____. Opciones: could have met · could meet · had met / had not failed · did not fail · would not fail

Texto guiado

13. If we _____ (check) the weather, we would have packed differently. We _____ (bring) warmer clothes if we had known about the storm. If the train _____ (not/be) delayed, we _____ (catch) the last bus. We might have found the hotel faster if I _____ (download) the map. If we _____ (plan) better, the first night would have been easier, but we _____ (not/meet) the helpful family at the station.

Texto libre

14. If the team _____ (start) earlier, we _____ (finish) on time. We could have avoided the error if someone _____ (review) the data. If I _____ (know) about the problem, I _____ (ask) for help.

Producción controlada

15. Une: I did not see the message. I did not reply.

_____

16. Corrige: If I would have known, I would have called.

_____

17. Di que habrías ayudado si te lo hubieran pedido.

_____

18. Usa might have para una consecuencia alternativa.

_____

Misión comunicativa

19. Reflexiona sobre una decisión pasada con third conditional.

_____

20. Explica cómo un proyecto habría cambiado con mejor planificación.

_____

21. Escribe una frase con could have.

_____

22. Escribe dos third conditionals conectados sobre un viaje.

_____

04 · SOLUCIONES

Corrige y explica la regla

En respuestas abiertas, compara primero la estructura objetivo y después el vocabulario.

1. had studied — If + past perfect.
2. had left — Condición pasada irreal.
3. would have called — Resultado: would have + participio.
4. had asked — Past perfect en if.
5. would not have missed — Resultado alternativo negativo.
6. had not rained — Condición pasada negativa.
7. had known — Know known en past perfect.
8. had looked — If + had looked.
9. had booked / would have found — Condición. Resultado.
10. would not have missed / had read — Resultado alternativo. Condición pasada.
11. had known / would have brought — Had known. Would have brought.
12. could have met / had not failed — Capacidad alternativa. Condición pasada.
13. had checked / would have brought / had not been / would have caught / had downloaded / had planned / would not have met — Condición. Resultado. Past perfect negativo. Resultado. Condición. Condición. Consecuencia alternativa.
14. had started / would have finished / had reviewed / had known / would have asked — Past perfect. Resultado. Past perfect. Know known. Resultado.
15. If I had seen the message, I would have replied. — Invierte ambos hechos pasados.
16. If I had known, I would have called. — No would en la cláusula if.
17. I would have helped if they had asked me. — Resultado + condición.
18. If we had left earlier, we might have avoided the traffic. — Consecuencia posible.
19. If I had compared the options, I would have chosen a different course. — Pasado alternativo completo.
20. If we had planned the schedule, we would have finished earlier. — Causa y resultado alternativos.
21. If you had called me, I could have given you the address. — Capacidad pasada alternativa.
22. If we had checked the map, we would not have got lost. If we had arrived earlier, we might have seen the sunset. — Dos rutas alternativas.
