01 · ANSWER KEY

Identifica la forma correcta

Compare the form first, then read the explanation and name the rule in your own words.

A1

've been working

've been working: actividad en progreso que explica el agotamiento actual. "I've worked all day" sería correcto pero menos natural para explicar un estado presente.

A2

have you been learning

Have you been learning: pregunta por duración de una actividad en progreso -> present perfect continuous.

A3

've been trying

've been trying: acción repetida/continua desde esta mañana -> present perfect continuous con since.

A4

've been cooking

've been cooking: la cocina sucia es el resultado visible de haber cocinado -> present perfect continuous explica el estado presente.

A5

's been working

's been working: she -> has been working. Actividad en progreso durante un período largo con resultado todavía incompleto.

A6

've been sitting

've been sitting: acción en progreso que todavía continúa -> present perfect continuous.

A7

Have you been crying

Have you been crying: pregunta sobre actividad reciente con resultado visible (ojos rojos) -> present perfect continuous.

A8

's been standing

's been standing: he/she/it -> has been. La acción ha estado en progreso durante 20 minutos.

Causa y estado presente

Compare the form first, then read the explanation and name the rule in your own words.

B1

've been running / for

've been running: explica el estado actual (sin aliento) -> present perfect continuous. For + período de tiempo (an hour).

B2

have you been doing / 've been analyzing / since

Have you been doing: pregunta por actividad en progreso reciente -> present perfect continuous. 've been analyzing: actividad en progreso desde la semana pasada -> present perfect continuous. Since + punto de inicio: since last week.

B3

have you been studying / 've been learning

Have you been studying: pregunta por duración de actividad en progreso. 've been learning: actividad continua desde un punto de inicio específico (since I discovered K-pop).

B4

's been working / since

's been working: he/she/it -> has been. Actividad en progreso hasta ahora (y el coche sigue roto). Since + punto de inicio específico (9 this morning).

Un mensaje de texto

Compare the form first, then read the explanation and name the rule in your own words.

C1

've been preparing

've been preparing: actividad en progreso toda la mañana -> present perfect continuous.

C2

've just finished

've just finished: resultado reciente completado -> present perfect simple con "just".

've been drinking: actividad que explica el estado actual (manos temblorosas) -> present perfect continuous.

C4

Have you been waiting

Have you been waiting: pregunta por duración de espera -> present perfect continuous.

C5

've been thinking

've been thinking: actividad mental en progreso desde el almuerzo -> present perfect continuous.

C6

've been

've been: estado continuo hasta el presente -> present perfect simple (verbo estativo be).

C7

've been really looking

've been looking forward to: expresión en progreso -> present perfect continuous.

Simple o Continuous

Compare the form first, then read the explanation and name the rule in your own words.

D1

has been working

Has been working: actividad en progreso durante 5 años hasta ahora -> continuous enfatiza el proceso.

D2

has performed

Has performed: número concreto de operaciones (resultado/cantidad) -> simple.

has been studying

Has been studying: proceso largo en progreso -> continuous. (Has studied también es correcto pero less common here).

D4

has been researching

Has been researching: actividad en progreso recientemente -> continuous.

D5

has already published

Has already published: resultado concreto (two papers) -> simple.

Producción guiada

Compare the form first, then read the explanation and name the rule in your own words.

E1

I'm exhausted because I've been working on a project all day.

Ejemplo: I'm sweaty because I've been playing football. / I'm happy because I've been talking to old friends.

E2

I've been studying English since I was in secondary school.

Ejemplo: I've been living in this apartment for two years. / She's been training for the marathon since January.

E3

How long have you been studying languages?

Ejemplo: How long have you been working here? / How long has she been dating him?

E4

I've been taking an online photography course for the last month.

Ejemplo: I've been reading a really interesting book lately. / I've been working on my fitness for the past few weeks.

Misión: Tu último mes

Compare the form first, then read the explanation and name the rule in your own words.

F1

I've been practicing my English every day for the past three months.

Usa: I've been [verbo -ing] for [tiempo] / since [momento]. Ej: I've been taking yoga classes since the new year.

F2

I'm stressed today because I've been preparing for an important exam.

Usa: I'm [estado] because I've been [actividad]. Ej: I'm tired because I've been commuting for three hours.

F3

I've been studying grammar a lot lately and I've already improved my writing.

Combina: I've been [proceso] and I've [resultado]. Ej: I've been exercising regularly and I've lost 3 kilos.

F4

Referencia 08: We've been saving money to travel to Japan. Debe mantenerse la arquitectura Subject + have/has been + verb-ing; el vocabulario puede adaptarse al contexto.

Retroalimentación 08. Una respuesta sólida conserva la regla y ajusta el registro. Punto de control: independent retrieval after 24 hours.

F5

Modelo estructural 09: contexto + "I've written three emails." (están escritos) + consecuencia coherente. La oración central debe respetar Subject + have/has been + verb-ing.

Retroalimentación 09. La producción demuestra que la estructura funciona dentro de un texto, no como respuesta aislada. Revisa Sitúa los hechos en una línea temporal o lógica.

F6

Comprobación 10: Subject + have/has been + verb-ing. Ejemplo de referencia: "I've been writing emails." (actividad en progreso)

Retroalimentación 10. La recuperación sin apoyo mide disponibilidad real. Si fallas, vuelve a esta decisión: Localiza la señal que controla la elección sin depender solo de ella.

F7

Modelo 11: "I've written three emails." (están escritos) La señal se justifica mediante Subject + have/has been + verb-ing.

Retroalimentación 11. La actividad parte del significado y obliga a recuperar la forma. Punto de control: pp simple vs continuous.

F8

Modelo 12: "I've been writing emails." (actividad en progreso) El contraste se decide así: Integra la estructura en un párrafo de cuatro oraciones.

Retroalimentación 12. El contraste evita memorizar una frase aislada y hace visible la decisión gramatical: no stative verbs in continuous.

F9

Punto de partida 13: "I've lived/been living here for a year." Una versión válida conserva Subject + have/has been + verb-ing y realiza todos los ajustes exigidos por el nuevo contexto.

Retroalimentación 13. No hay una única respuesta. Se evalúa que la transformación respete esta decisión: Edita un error plausible y justifica cada modificación.

F10

Núcleo del modelo 14: I've been working on this presentation for hours. La réplica debe conservar una referencia clara y aplicar Subject + have/has been + verb-ing.

Retroalimentación 14. El diálogo comprueba forma y continuidad comunicativa. Foco de revisión: chronology, viewpoint and reference.

F11

Modelo correcto 15: Why are you tired? — I've been exercising. La reparación se apoya en esta decisión: Acción que empezó en el pasado y SIGUE en el presente: "I've been learning Spanish for two years." (todavía aprendo)

Retroalimentación 15. La corrección debe nombrar la causa, no solo sustituir una palabra. Comprueba Subject + have/has been + verb-ing.

F12

Base posible 16: She's been living in Seoul since March. How long have you been waiting? El enlace debe conservar «Lleva viviendo en Seúl desde marzo. - Subject + have/has been + verb-ing» y «¿Cuánto tiempo llevas esperando?» sin alterar las formas objetivo.

Retroalimentación 16. Se evalúan estructura, enlace y referencia. La comprobación central es independent retrieval after 24 hours.

F13

Guion modelo 17: Subject + have/has been + verb-ing. Ejemplo: They've been arguing all morning.. Decisión: FOR + período / SINCE + punto de inicio, igual que present perfect simple.

Retroalimentación 17. Enseñar la regla obliga a relacionar forma, sentido y error. Advertencia útil: "She has been finished the report" ☒ -> "She has finished the report" ☒ — el resultado usa present perfect simple.

F14

Referencia 18: How long have you been waiting? Debe mantenerse la arquitectura Subject + have/has been + verb-ing; el vocabulario puede adaptarse al contexto.

Retroalimentación 18. Una respuesta sólida conserva la regla y ajusta el registro. Punto de control: for vs since.

F15

Modelo estructural 19: contexto + I've been trying to call you for an hour! + consecuencia coherente. La oración central debe respetar Subject + have/has been + verb-ing.

Retroalimentación 19. La producción demuestra que la estructura funciona dentro de un texto, no como respuesta aislada. Revisa No se usa con stative verbs (know, want, need, like, etc.) — usa present perfect simple para esos.

F16

Comprobación 20: Subject + have/has been + verb-ing. Ejemplo de referencia: He's been studying Korean since he watched that drama.

Retroalimentación 20. La recuperación sin apoyo mide disponibilidad real. Si fallas, vuelve a esta decisión: Reconstruye el modelo completo: I've been studying all morning — I'm exhausted. / She's been working here since January.

F17

Modelo 21: We've been saving money to travel to Japan. La señal se justifica mediante Subject + have/has been + verb-ing.

Retroalimentación 21. La actividad parte del significado y obliga a recuperar la forma. Punto de control: Subject + have/has been + verb-ing.
