STAGE CHECK

Pause before continuing

Underline the trigger or decision point, name the rule, and check that the meaning has not changed.

01 · ANSWER KEY

Elige el cuantificador correcto

Compare the form first, then read the explanation and name the rule in your own words.

A1

a little

"time" es incontable -> a little (un poco, suficiente para algo positivo): "a little time".

A2

many

"students" es contable plural -> many en oraciones negativas: "Not many students".

A3

too

"too" expresa exceso negativo: the coffee is too hot (no puedo tomarlo). Va antes del adjetivo.

A4

enough

Adjetivo + enough: "confident enough". Enough va DESPUÉS del adjetivo.

A5

much

"money" es incontable -> "How much money?" Much se usa en preguntas con incontables.

A6

Both

"Both options are good" = las dos son buenas. Both + plural para referirse a dos cosas positivamente.

A7

too

"too many people" = exceso negativo de personas contables. Too many + contable plural.

A8

Every

"Every student" enfatiza el grupo completo: todos sin excepción. Every + singular.

02 · ANSWER KEY

Completa con el cuantificador correcto

Compare the form first, then read the explanation and name the rule in your own words.

B1

a few / little

"books" es contable -> a few (algunos, positivo): I have a few good grammar books. "time" es incontable -> little (casi nada, negativo): little time to read them.

B2

Few / much

"buses" es contable -> Few (casi ninguno, negativo): Few buses arrive on time. "There isn't much we can do" -> much en negación con incontable (thing/action).

B3

too many / just

"things" es contable -> too many things (exceso: demasiadas cosas). "just too much" = simplemente demasiado. Intensifica la afirmación.

B4

Both / neither

"Both...are good" = las dos opciones son buenas. Both + plural para dos elementos. "Neither option fits" = ninguna de las dos. Neither + singular (negativo de both).

Un día sin suficiente de nada

Compare the form first, then read the explanation and name the rule in your own words.

C1
little
"sleep" es incontable y el contexto es negativo -> little sleep (casi nada).

C2
a few
"meetings" es contable y el número es pequeño -> a few meetings (algunas).

C3
little
"time" es incontable y es negativo -> little time (casi nada).

C4
a few
"mistakes" es contable -> a few mistakes (algunos errores).

C5
both
Para el contexto de "los dos / todos mis colegas" -> both (o all si son más de dos).

C6
a lot of
"traffic" es incontable en inglés -> a lot of traffic (mucho tráfico). No "many traffic".

C7
little
"energy" es incontable y el contexto es negativo -> little energy.

C8
a
"a better balance" -> artículo indefinido con sustantivo contable singular.

Completa sin opciones

Compare the form first, then read the explanation and name the rule in your own words.

D1

a lot of

"dedication" es incontable en afirmativa -> a lot of dedication.

D2

a few

"strategies" es contable -> a few good strategies (algunas, positivo).

D3

Many

"students" es contable en afirmativa -> Many students (o A lot of students).

D4

much

"money" es incontable -> much money (en negativa) o a lot of money.

D5

a lot of

"resources" es contable en afirmativa -> a lot of free resources (o lots of / many).

Producción guiada

Compare the form first, then read the explanation and name the rule in your own words.

E1

I have a lot of grammar books but only a few apps that I actually use regularly.

a few + contable plural (algunos), a lot of / many + contable plural (muchos). Ambos son correctos en afirmativas.

E2

I have too much work this week. I don't have enough time to study every day.

Too much + incontable / too many + contable. Not enough + sustantivo (sin artículo): not enough time.

E3

Few people in my town speak English well. However, I have a few close friends who can help me practise.

Few = casi ninguno (situación negativa). A few = algunos (situación positiva o neutra).

E4

Both English and Korean have helped me connect with people from different cultures. Every lesson teaches me something new.

Both + two items (los dos); Every + singular noun (énfasis en el grupo completo, cada uno).

Misión: Habla de tus recursos y tu tiempo

Compare the form first, then read the explanation and name the rule in your own words.

F1

I have very little free time during the week, but I try to study a little every day. On weekends I have a lot of time to practise.

little/a little para incontables (time), few/a few para contables (hours). little = negativo, a little = positivo.

F2

I have a few good textbooks and a lot of online resources. I have too many apps on my phone but not enough focus to use them all.

Combina cuantificadores: a few + contable, a lot of + contable/incontable, too many + contable, enough + sustantivo.

F3

Both classroom study and self-study have their advantages. Neither method is perfect on its own — you need both.

Both = los dos son buenos. Either = cualquiera de los dos. Neither = ninguno de los dos.

F4

Referencia 08: How many languages do you speak? — Too many to count! Debe mantenerse la arquitectura few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both; el vocabulario puede adaptarse al contexto.

Retroalimentación 08. Una respuesta sólida conserva la regla y ajusta el registro. Punto de control: chronology, viewpoint and reference.

F5

Modelo estructural 09: contexto + few students / a few ideas + consecuencia coherente. La oración central debe respetar few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

Retroalimentación 09. La producción demuestra que la estructura funciona dentro de un texto, no como respuesta aislada. Revisa Comprueba la fórmula en contexto: few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both

F6

Comprobación 10: few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both. Ejemplo de referencia: little time / a little help

Retroalimentación 10. La recuperación sin apoyo mide disponibilidad real. Si fallas, vuelve a esta decisión: Sitúa los hechos en una línea temporal o lógica.

F7

Modelo 11: few students / a few ideas La señal se justifica mediante few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

Retroalimentación 11. La actividad parte del significado y obliga a recuperar la forma. Punto de control: few/a few + countable.

F8

Modelo 12: little time / a little help El contraste se decide así: Compara una alternativa cercana y explica el cambio de significado.

Retroalimentación 12. El contraste evita memorizar una frase aislada y hace visible la decisión gramatical: little/a little + uncountable.

F9

Punto de partida 13: There is very little time left before the deadline. Una versión válida conserva few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both y realiza todos los ajustes exigidos por el nuevo contexto.

Retroalimentación 13. No hay una única respuesta. Se evalúa que la transformación respete esta decisión: Integra la estructura en un párrafo de cuatro oraciones.

F10

Núcleo del modelo 14: I have a few friends who speak Korean — it is really helpful. La réplica debe conservar una referencia clara y aplicar few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

Retroalimentación 14. El diálogo comprueba forma y continuidad comunicativa. Foco de revisión: enough + noun.

F11

Modelo correcto 15: She has too much work and not enough help. La reparación se apoya en esta decisión: few (casi ninguno, negativo) vs a few (algunos, positivo): "She has few friends" (casi ninguno) vs "She has a few friends" (algunos, es positivo)

Retroalimentación 15. La corrección debe nombrar la causa, no solo sustituir una palabra. Comprueba few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

F12

Base posible 16: Both candidates were excellent, but neither got the job. Each lesson at WeLearn focuses on a different grammar point. El enlace debe conservar «Ambos candidatos eran excelentes, pero ninguno obtuvo el trabajo. - few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both» y «Cada lección en WeLearn se enfoca en un punto gramatical diferente.» sin alterar las formas objetivo.

Retroalimentación 16. Se evalúan estructura, enlace y referencia. La comprobación central es too + adj.

F13

Guion modelo 17: few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both. Ejemplo: Is there enough space in the classroom for thirty students?. Decisión: many + contables en preguntas y negaciones: "How many students?" / "Not many people came."

Retroalimentación 17. Enseñar la regla obliga a relacionar forma, sentido y error. Advertencia útil: "There are much cars." ☒ -> "There are many cars." / "There is a lot of traffic." ☒ — many con contables, much con incontables.

F14

Referencia 18: A lot of people are learning Korean because of K-pop. Debe mantenerse la arquitectura few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both; el vocabulario puede adaptarse al contexto.

Retroalimentación 18. Una respuesta sólida conserva la regla y ajusta el registro. Punto de control: chronology, viewpoint and reference.

F15

Modelo estructural 19: contexto + Each lesson at WeLearn focuses on a different grammar point. + consecuencia coherente. La oración central debe respetar few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

Retroalimentación 19. La producción demuestra que la estructura funciona dentro de un texto, no como respuesta aislada. Revisa a lot of / lots of: usados en afirmativas con contables e incontables: "She has a lot of experience."

F16

Comprobación 20: few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both. Ejemplo de referencia: How many languages do you speak? — Too many to count!

Retroalimentación 20. La recuperación sin apoyo mide disponibilidad real. Si fallas, vuelve a esta decisión: enough + sustantivo: "There is enough food." / adj/adv + enough: "She is old enough to vote."

F17

Modelo 21: There is very little time left before the deadline. La señal se justifica mediante few/a few + countable plural / little/a little + uncountable / many/much in negatives and questions / a lot of + both.

Retroalimentación 21. La actividad parte del significado y obliga a recuperar la forma. Punto de control: few/a few + countable.
