Open reconstruction

Compare the form first, then read the explanation and name the rule in your own words.

D1

admitted overlooking

Gerund report requires “admitted overlooking” in this model. admit/deny/suggest + -ing.

D2

advised us to delay

Object plus infinitive requires “advised us to delay” in this model. advise/warn/remind + object + to-infinitive.

D3

confirmed that

That-clause requires “confirmed that” in this model. promise/claim/confirm + that-clause.

D4

admit/deny/suggest + -ing

Gerund report is built as admit/deny/suggest + -ing.

D5

advise/warn/remind + object + to-infinitive

Object plus infinitive is built as advise/warn/remind + object + to-infinitive.

Controlled transformation

Compare the form first, then read the explanation and name the rule in your own words.

E1

The manager admitted overlooking the warning.

admit/deny/suggest + -ing. The rewrite preserves the core message while adding the intended gerund report effect.

E2

The consultant advised us to delay the launch.

advise/warn/remind + object + to-infinitive. The rewrite preserves the core message while adding the intended object plus infinitive effect.

E3

The supplier confirmed that the parts were in stock.

promise/claim/confirm + that-clause. The rewrite preserves the core message while adding the intended that-clause effect.

E4

The manager admitted overlooking the warning.

admit/deny/suggest + -ing. The rewrite preserves the core message while adding the intended gerund report effect.

Communicative production

Compare the form first, then read the explanation and name the rule in your own words.

F1

The manager admitted overlooking the warning. The surrounding context would then state the same situation in neutral order or with a less marked commitment.

A strong response uses admit/deny/suggest + -ing accurately and makes the communicative purpose visible in context.

F2

The consultant advised us to delay the launch. The surrounding context would then state the same situation in neutral order or with a less marked commitment.

A strong response uses advise/warn/remind + object + to-infinitive accurately and makes the communicative purpose visible in context.

F3

The supplier confirmed that the parts were in stock. The surrounding context would then state the same situation in neutral order or with a less marked commitment.

A strong response uses promise/claim/confirm + that-clause accurately and makes the communicative purpose visible in context.
