01 · COMPRENDER

La idea esencial

Invierte auxiliar y sujeto después de expresiones negativas o restrictivas para crear énfasis formal: Never have I seen, Only then did we understand.

La inversión nace del inicio de la oración

Never, rarely, seldom, hardly, little y expresiones con only activan inversión cuando se colocan al principio y tienen alcance negativo o restrictivo.

La versión neutra sigue siendo correcta; la invertida añade énfasis y registro formal.

Only y not until

Only after the audit did we understand the scale adelanta la condición temporal y obliga a invertir la cláusula principal. Not until the data arrived could we decide funciona de la misma manera.

Neutra	Enfática
We understood only after the audit.	Only after the audit did we understand.
We could decide only when the data arrived.	Only when the data arrived could we decide.

Pares correlativos

No sooner...than y hardly/scarcely...when describen dos acciones muy próximas. La primera suele usar past perfect invertido.
